Are you looking for a new and exciting challenge?

Forest Glade Primary school sits at the heart of Sutton in Ashfield and is a popular school within the local community. We have a strong reputation, and parents return to us generation after generation. Our school building is part of the history of the community, has been extended, and is excellently looked after and cared for. We pride ourselves on being a well presented and attractive school for children and parents who want to join us.

We are a one form entry, busy, friendly, and thriving school, with high expectations for all pupils. We have six primary classes with a single year group in Foundation Stage 2 and a Nursery running 15- and 30-hours provision. We are a strong team and work well together. We work hard to offer the best teaching and support for both pupils and parents and our culture is purposeful and aspirational. We have been an Ofsted good school for over ten years and our results have remained consistently good reflecting effective teaching and standards.

All our staff, governors and pupils are proud of our school, our academic and extra-curricular achievements and how well our pupils develop and achieve in later life.

Our school continues to work closely with Flying High to develop our exciting enquiry-based curriculum, responsive to the needs of our community. We have worked hard to develop a model for lesson design, and through the expertise of our teaching and learning lead are implementing this across the school. In the coming year we will be working with the English Hub developing reading through the Reading for Pleasure Project. We are also starting the 'No Nonsense Phonics' approach at the school to raise the bar to improve even further on our phonics results. Finally, we are involved with the Maths Hub in a mastery approach to maths that is developing strongly across the school.

What we can offer:

- A wonderful school where the children are eager to learn, determined to be the best school in the Universe
- A passionate, positive and motivated team of professionals who put children at the heart of every decision
- Dedicated management time, plus PPA
- A strong network of schools who support each other and share best practice.
- A commitment to quality CPD as part of the Flying High Partnership, including NPQ qualifications

- The opportunity to play a key role in our journey

We are looking for someone who:

- Is a successful early years practitioner who is eager to take on the next challenge in their career
- Promotes high standards of teaching and learning through excellent classroom practice
- Has a passion to ensure that all children reach their full potential
- Has the ability to lead a team of staff
- Develops strong relationships with parents, carers and stakeholders
- Has excellent communication, interpersonal and organisational skills and is a true team player
- Will play an active part in the wider life of our school
- Has a sense of humour!
