About us:

Cotgrave Candleby Lane School is at the **heart of our community** and strives to ensure that every child has the **support, care, guidance and challenge** to be the best they can be. Our fun and **engaging** approach, mixed with an **invigorating environment and ethos**, enables staff and pupils to push boundaries to be the very best they can be in all aspects of school life. We value the **uniqueness** in every child and celebrate this with them. This is mirrored with the staff too as every member of our team has to celebrate and be clear about what makes them unique.

The school is proud of the **strong bonds** created with our children and families. This careful development is the product of nurture; our drive to develop the school's **eight values** and truly **going the extra mile** for our children and families. The strong bonds are also reflected in our staff team, who have a **'can do' approach, care** for each other, **learn** together and work well together as a high performing team. Importantly, we also know how to have fun in what we do.
